

Disposal of Waste Electrical and Electronic Equipment (WEEE)

This product may contain substances which need to be disposed of properly so they do not cause a hazard to the environment. Electrical and electronic equipment should never be disposed of with general household waste but must be collected separately for its proper treatment and recovery. The crossed-out bin symbol placed on the product is a reminder of the need to dispose of the product correctly.

When this product is no longer of any use, please contact Talley Medical on 01794 503500 for information on collection arrangements. Recycle all packaging wherever possible.
